## Helping To Keep Jupiter Beach Clean & Dog Friendly!

*Although FJB has been recognized with achievement awards from both the Town of Jupiter and Palm Beach County, it receives no government funding of any kind and is supported solely through fundraisers and donations from an appreciative public. This event celebrates the 23rd Anniversary of Friends of Jupiter Beach and is a family event encompassing all things dogs and beaches.*

**F**ounded in 1994, Friends of Jupiter Beach is a 501 (c)(3) community organization whose goal is to support and maintain environmentally healthy, clean, and open access beaches in Jupiter, Florida through volunteerism, advocacy and education. Volunteers from every facet of the community clean a 2.5-mile span of beach from north of the Juno Beach Pier to Carlin Park in Jupiter each month.

**S**ince the group began weighing the trash in 2006, we've collected more than 66,000 pounds of trash and recyclables from the beach. FJB sends out monthly E- newsletters and uses electronic and social media to spread its environmental message and advocate for an open access beach.. In addition, FJB provides 400,000 dog bags a year along Jupiter Beach's 29 crossovers and it's Riverwalk and maintains the boxes in which they are contained. FJB participates in community events and performs outreach to local schools and youth organizations to ensure that the younger generation learns the importance of environmental preservation. We have recently established a Young Friends of Jupiter Beach group, which holds additional monthly beach cleanups.
