### **About Friends of Jupiter Beach**

#### **HELPING TO KEEP JUPITER BEACH CLEAN & DOG FRIENDLY!**

Founded in 1994, Friends of Jupiter Beach is a 501(c)(3) community organization whose mission is to clean and maintain environmentally healthy and dog-friendly beaches, through education, volunteerism and community support. Volunteers from the community clean the 2.5-mile span of Jupiter Dog Beach as well as Carlin, Dubois and Coral Cove Parks in Jupiter every day of the week, along with a community cleanup once a month.

Since 2000, when we began keeping track of the trash collected, we have **removed over 84,000 pounds of litter** from our beaches **saving taxpayers over \$1.2 million in beach maintenance costs**. Our work has brought us wonderful recognition! Jupiter Dog Beach was recently voted as **the #1 Most Dog-Friendly Beach in the country** in a reader survey by USA Today! FJB delivers monthly E-newsletters and uses electronic & social media to spread its environmental message and advocate for an open access beach. In addition, FJB provides over 400,000 dog waste bags a year along Jupiter Beach's 29 crossovers and maintains and refills the boxes in which they are contained. FJB participates in community events and performs outreach to local schools and youth organizations to ensure that the younger generation learns the importance of environmental preservation. To that end we have established a Young Friends of Jupiter Beach group, which holds it's own monthly beach cleanups.

Although FJB has been recognized with achievement awards from both the Town of Jupiter and Palm Beach County, the agency is 98% funded solely through annual fundraisers and donations from community stakeholders like you. The reason why your participation is so important now more than ever.
